

# Capital Kitchens & INTERIORS

*Professional design service*

## Engaging with Capital Kitchens & Interiors Professional Design Service, we will:

- Arrange Design Meetings to cover all aspects of your project
  - Layout requirements, including bench space, storage space and work areas
  - Spatial planning including aesthetics, flow, design features, style and colours
  - Family requirements and entertaining needs
  - Advice on door style colours, styles, handles, finishes, cleanness and durability
  - Advice on bench top colours, options, thicknesses, waterfalls, skirts, up stands and finishes
  - Appliance options, Steam – Induction – Gas – Pyrolytic – Convection – Extraction – Dishwashing – Refrigeration.
  - Flooring, lighting, colour schemes, sinks, taps, seating, splash backs, waste, recycling, storage
- Investment and costs for the products, installation and project co-ordination for the entire kitchen project if you require this service.

## Then the Design work begins:

- Present your concept floor plan, and 3D design together with 3D renderings that look as good on screen as the will in reality, to help you visualise your new kitchen. We will email these to you to look over and discuss in your own time.
- Follow up phone call, to chat over your first impressions and ask any questions.
- Face to face meeting to discuss the layouts, view the choices, decide on options and choose the way forward.
- The concept plan is then amended, enhanced and finalised.
- The confirmed design is presented in the way of a final plan with all measurements and dimensions.
